D.O.No.Q-12045/1/2003-/CPHEEO

Dated, the 2<sup>nd</sup> November, 2006.

**Subject: Non implementation of Accelerated Urban Water Supply Programme (AUWSP) scheme**

Dear

Please refer to this Ministry D.O. of even number dated 27.10.2006 regarding timely implementation of AUWSP scheme in your State. A meeting was called by me on the issue on 2<sup>nd</sup> November, 2006 with the representative of the State Govt. to review the AUWSP and the same was attended by Shri Om Prakash, Chief Engineer, Jharkhand. It is the matter of concern that representative from Secretariat of Department of Drinking Water & Sanitation was not able to provide the current status of projects implemented in States.

2. It was made amply clear that provision for release of balance amount pertaining to Central share to the Government of Jharkhand has been made in the current financial year. The amount is to be released before December, 2006. In case the State Government is not able send the complete proposal for release of balance amount immediately, the onus for non-release of Central share will be on the State Government. The amount pertaining to Central share will stand lapsed. Resultantly, the financial assistance released earlier as a part of Central share will also became due for recovery.

-2-

3. It is enjoined that the utilization certificate along with physical and financial performance must be **submitted by 10<sup>th</sup> November, 2006( by hand)** so as to enable processing for release of balance amount of Rs. 2.93 crore before 31.12.2006.

With regards,

Yours sincerely,

(Savitur Prasad)

Shri Sudhir Prasad,  
Principal Secretary,  
Drinking Water & Sanitation Department,  
Nepal House, Jharkhand.
