Dated 02.11.2006.

Dear

The performance of the State Government of Maharashtra in implementing the scheme of AUWSP was reviewed on 2.11.2006. During the last performance, serious shortcomings and bottlenecks were noticed in implementing the scheme.

The steps taken by the State Government in the last few months has brought the scheme back on rails. Not only State Government has given 100 percent U.C. for both the Central and State share released so far but have been successful in commissioning the majority of the projects.

The tremendous improvement shown by the Stage Government has been acknowledged and action is being taken to release the balance amount of Rs.9.62 cores.

Yours sincerely,

(Savitur Prasad)
