Dated 02.11.2006.

Dear

Government of India has sanctioned Rs. 16.033 crores to the State Govt. of Manipur for implementing 26 schemes. In the review meeting on 2.11.2006, it has come to notice that the money released to the State Govt. has not been further passed on to the Public Health Engineering (PHE) Department. 2005-06 is the terminal year for the scheme and the central share already released, if not utilized in the current year is liable to be recovered from the State Govt. In addition, the balance amount of central share yet to be released will also stand lapsed after 31st December, 2006. Resultantly, the total central share released for implementation of AUWSP in the State of Manipur in the 2-3 years will be liable for recovery with interest as per instructions issued by Ministry of Finance.

May I request your kind personal attention to ensure immediate release of an amount of Rs. 1.61 crore to the Public Health Engineering Department (PHED) for implementation of scheme.

An amount of Rs. 1.26 crore as balance of central share yet to be released can be considered only after receipt of UC for the earlier amount released. In the present situation, it is not possible to **release the balance amount of Rs. 1.26 crore**. The possibility of this amount getting lapsed can not be ruled out, unless immediate and urgent action is taken by the State Govt. to implement AUWSP the project in next few months.

Yours sincerely,

(Savitur Prasad)

Shri Jarnail Singh
Chief Secretary
Government of Manipur, Imphal

Shri Sachhiuna
Additional Chief Secretary (PHE)
Government of Manipur, Imphal.
