**Minutes of the 38<sup>th</sup> meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) - Housing for All Mission held on 26 September 2018**

The 38<sup>th</sup> meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) [PMAY (U)] was held on 26 September 2018 at 10.00 a.m. in the Conference Room, Nirman Bhawan, New Delhi, with Secretary, Ministry of Housing and Urban Affairs in Chair. The list of participants is at **Annexure-I**.

2. At the outset, the Secretary, Ministry of Housing & Urban Affairs (MoHUA) welcomed the participants/representatives from the State Governments, participants/officers of the Ministry and other Departments. He made following observations to be complied by all State/UTs Governments.

- i. It was directed that all States/UTs should saturate their total demand for sanction in the year 2018-19 itself, which would enable them to complete all the houses by 2021-22 along with UCs and completion certificates etc.
- ii. States/UTs should ensure that the PMAY (U) logo is displayed in front of all housing units constructed under funding support of the Government of India. However, State/UTs should not display any such information which may amount to violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.
- iii. State Governments may prepare short films, printed literature/documents on projects undertaken under PMAY (U) to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and also in various social media platforms for generating awareness. The State Government should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.
- iv. The State/UT Governments should consider ISSR component of PMAY (U) for rehabilitation of slums wherein land is used as a resource and which is available with the State/UT/ULBs.
- v. The Government of India has released Rs. 8000 crore under Extra Budgetary Resource (EBR), over and above budgetary allocation, to the State/UT Governments/CNAs in the FY 2017-18. The EBR fund is an interest bearing fund and it is important that the funds so released to the State do not remain parked with SLNA/State Government, but is utilized on fast pace for the purpose it has been released. Any interest earned on the parked fund will be adjusted/ recovered against subsequent instalments in the sanctioned projects under PMAY (U).
- vi. The Central funds in general and EBR funds in particular released under PMAY(U) mission should be passed on to the ULBs/Implementing Agencies within the time frame stipulated in the respective sanction orders and registration of all ULBs on PFMS may be ensured by all State/UT Governments. This is a very important matter hence appropriate arrangements and safeguards must be built in.

- vii. With regard to the vacant houses, if any, under JnNURM, the State Governments/UTs should look for realistic, pragmatic options so as to allot these houses to eligible beneficiaries in urban areas without any further delay.
- viii. The Secretary (MoHUA) desired the States/UTs to collect data with respect to houses of EWS/LIG category being constructed through State sponsored schemes, Development Authorities, Housing Boards, Private Developers and Individual constructions in all statutory towns. Economic Advisor/NBO will coordinate the efforts and will update regularly the progress made.
- ix. A robust MIS System being critical for PMAY (U) Mission. States need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY (U)-MIS. All States/UTs to ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.
- x. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY (U). The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.
- xi. State/UTs to expedite finalisation of agencies for TPQM and Social Audit as per the guidelines.
- xii. Since Rajiv Awas Yojana (RAY) is subsumed in Pradhan Mantri Awas Yojana PMAY (U), Third Party Quality and Monitoring Agencies (TPQMA) appointed for PMAY (U) may also certify quality aspects of RAY projects.
- xiii. States/UTs need to expedite grounding of approved projects so that they are completed within the timeline.
- xiv. The States/UTs should submit project proposals for consideration of CSMC by 15<sup>th</sup> of each month so that site scrutiny/desk scrutiny in respect of identified DPRs can be done before the CSMC holds meeting.
- xv. HFAPoA should have been submitted prior to bringing project proposals for that city. If not, justification for delay should be provided.
- xvi. The State/UT Governments may make provision of cistern in toilet, two platforms in kitchen, cemented almirah/slab, storage space in living room, loft, etc. which are basic requirement for a family. Similarly, plantation drive may be organised on completion of construction work especially in AHP and ISSR projects to increase green cover at the locality. In BLC projects, houses should be constructed little away from the existing road, wherever possible, for better planning and ease of traffic movement. It was reiterated that PMAY (U) addresses the aspiration of human being for a better and dignified life. All out efforts should be made to provide maximum facilities.
- xvii. Housing demand along with infrastructure in aspirational districts to be prioritised and completed immediately.
- xviii. The State/UT governments may consider G+7 units under AHP and ISSR projects with lift facility as land is a scarce resource. The maintenance cost of the lift can be managed by the resident welfare society once houses are occupied.
- xix. States/UTs may prefer arranging rent to the beneficiaries during the interim period of construction of houses under ISSR projects for its speedy completion.

- xx. States/UTs should implement innovative, cost effective and high quality construction technologies for constructing the housing units under PMAY (U) and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.
- xxi. First instalment of Central Assistance in case of BLC/ISSR projects shall be released on the basis of Aadhaar seeded beneficiaries in PMAY (U)-MIS.
- xxii. Further, the first instalment of Central Assistance in respect of ISSR and AHP projects shall be released on confirmation of the State/UT Government(s) about selection of Developer and issuance of work order. With respect to AHP projects, the 2<sup>nd</sup> instalment of Central Assistance shall be released after Aadhaar seeding of all beneficiaries is captured in the project and entered in PMAY (U)-MIS by the State/UT Governments.
- xxiii. State Level Appraisal Committee is expected to thoroughly appraise the DPRs before submitting the same to State Level Sanctioning & Monitoring Committee for approval. Combining SLAC and SLSMC meeting is not permissible as the mandate of the two bodies is distinct.
- xxiv. Allotment of houses in AHP and ISSR vertical of PMAY (U) should be Aadhaar enabled, provision for which has already been made in PMAY (U)-MIS.
- xxv. State/UT Governments may offer incentives through additional FAR for rehabilitation of slums on private land through ISSR. Increase of FAR upto 50% can be considered which will incentivise developers to undertake construction work on privately owned land for meeting the "Housing for All" goal.
- xxvi. State/UT Governments should exempt sanctioning of building plan on plot size less than 100 sq. metre. States/UTs may also prepare and circulate standard building plan designs for a plot size upto 100 sq. metre.
- xxvii. State/UT Governments are advised to ensure that:
  - a. Adequate infrastructure is provided including individual water, sanitation and electricity connections.
  - b. There should be no duplication/change in the identified beneficiaries
  - c. Demarcation of land and mutation is carried out before implementation
  - d. The design and construction of houses is disaster resilient and the specifications conform to IS/ NBC norms.
- xxviii. The MoHUA has formulated 'PPP Models for Affordable Housing' to enable States/Uts to facilitate private sector participation, in order to meet the growing need of affordable housing in the country. The States/Uts are advised to make use of these guidelines suitably for PPP projects on affordable housing.
- xxix. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY (U) fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/registration fee for applying for Houses in PMAY (U). Thus, no individual/agency/organization can collect any money/application fee from the beneficiary for enrolment under PMAY (U). All State Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this fraudulent activity.

§

xxx. Affordable Housing fund of Rs. 10,000 crore has been created under National Housing Bank. State/UT governments may consider funding of beneficiary contribution of this fund. NHB may circulate the eligibility guidelines to all States/UT Governments urgently.

Bhavnagar	17.03.16	2,501	15,003.63	3,751.50	2,548	16,178.78	3,822.00

Due to change in Plan layout, the housing units are getting increased from 2501 Houses approved earlier to 2,548 Houses. The project cost involved in the project is also going up from Rs.15,003.63 lakh to Rs.16,178.78 lakh. As the number of Houses are enhanced, the corresponding central share is also being increased to Rs.3,822.00 lakh from Rs.3,751.50 lakh approved earlier.

The 1<sup>st</sup> instalment of Central Share amounting to Rs.1,500.60 lakh (40% of Rs.3,751.50 lakh) in the 01 AHP project under consideration has already been released. Whereas, post revision, 1<sup>st</sup> instalment of Central Share in the project would work out as Rs.1528.80 lakh (40% of Rs.3,822.00 lakh) which means there would be an additional release of Central Share of Rs.28.20 lakh (Rs.1,528.80 lakh– Rs.1,500.60 lakh) in the project.

**B. CSMC Decision:**

After deliberations, the CSMC approved the following:

- a. Revision in project parameters in 01 AHP project and enhanced Central Assistance due to increase in houses in the project; and
- b. Recommended for release of balance share of Central Assistance of Rs.28.20 lakh admissible in the project post revision/modification.

The details is mentioned at Serial No 19 of Annexure V-A.

13	<b>Proposal for amendment in Financial Norms for A&amp;OE activities under PMAY (U) (Agenda 13)</b>
----	---

**A. Brief Information**

The CSMC in its 1<sup>st</sup> meeting held on 17.9.2015 had approved norms for Central Assistance to States for PMAY (U) implementation activities. These activities also include

Administrative and Other Expenditure (A&OE). Subsequently, the CSMC in its 20<sup>th</sup> meeting held on 31.3.2017 deliberated on the financial norms and fund disbursement processes for all the activities and approved the financial norms and fund disbursement process of all key PMAY (U) activities including A&OE. Since the release for A&OE activities is to be made on reimbursement basis, many States/UTs have not made provisions to monitor the progress of PMAY (U) projects to meet expenditure of A&OE. It was requested to adopt the release norms as per SBM, AMRUT and Smart Cities flagship programmes.

It has now been proposed to release the 50% of admissible amount as 1<sup>st</sup> instalment as advance and balance amount will be reimbursed on actual basis within the ceiling on receipt of UCs as per the existing norms of Capacity Building Guidelines of PMAY (U). The admissible amount will be calculated on the basis of the following existing urban population slab as prevalent for deciding the admissible amount for release of funds under IEC:

State/UTs urban population in lakh	Max cost in lakh (Rs.)
0 -25	18
25-50	35
50-75	55
75-100	60
100-200	70
200-300	80
Above 300	90

**B. CSMC Decision:**

The Committee approved amendment in Fund Disbursement process of A&OE charges as proposed under PMAY (U).

2. State Government to ensure uploading of revised signed annexure (7B & 7C) and remove the curtailed beneficiaries from PMAY (U)-MIS. Further, before removing the beneficiaries from PMAY (U)-MIS State may ensure that no eligible and willing beneficiary is removed/curtailed.
3. State to ensure that all the DPRs where the curtailment is proposed are revised accordingly and uploaded on website of SLNA/Department.
4. The State and UTs should propose new projects after due diligence with regard to selection of beneficiaries to avoid cancellation/dropping of projects in future.

iv.	State Government has fixed a target of sanctioning 4,70,000 for FY 2018-19.
v.	State Government has made a provision of Rs. 781.74 Crore for PMAY (U) projects. Additional requirement will be supplemented through Maharashtra Shelter Fund.

No funds are being taken from respective Central and State Governments. After reconstruction, tenants will be the owner of that particular house.
vii.	At number of locations, the number of houses are less than 250 houses mandated under AHP vertical of PMAY (U), which are part of the demand of the city under AHP vertical. The CSMC is requested to relax the condition as per para 6.4 of the PMAY (U) guidelines to facilitate construction of houses.

**C. CSMC observations:**

i.	The State needs to expedite the demand survey process and submit HFAPoAs for all the approved cities under the Mission at the earliest.
----	---

ii.	Grounding of houses needs to be expedited so that the construction can be completed as per schedule timeline.
iii.	Out of 5,18,062 houses sanctioned earlier, beneficiaries attached with valid Aadhaar are 29,573 only (6%). The State should expedite all MIS entries and beneficiary attachment.

vi.	Maharashtra Government has to make extra efforts to ensure that CLSS benefits reach to larger section of society.
vii.	For AHP projects, State Government may place on record all required approvals from the concerned authorities in a time bound manner. Similarly, BIS standard and relevant provisions of NBC should be ensured in all projects. Funds for ISSR and AHP projects will be released on confirmation by State Government about selection of Developer for the project and that work order has been placed.
viii.	ISSR project: Adherence to the provision contained in para 4.8.11 of the PMAY (U) guidelines must be ensured.
ix.	In case of 4615 redevelopment houses in Mumbai to be considered in AHP component for meeting up to overall housing shortage even if there is no Central Assistance claimed for, State Government may ensure the eligibility of beneficiaries as per PMAY (U) guidelines. Also State Government should account for implication of other benefits like under GST, Income tax etc. in project formulation itself. State Government may confirm eligibility and undertaking for other benefits in writing to the Mission Directorate.
x.	State Government may ensure that all the unoccupied houses under JNNURM are occupied by the eligible beneficiaries.
xi.	SLSMC Minutes for the proposal are awaited so the proposal is considered as subjected to decisions taken by SLSMC.
