**Minutes of the 39<sup>th</sup> meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) - Housing for All Mission held on 30 October, 2018**

The 39<sup>th</sup> meeting of the Central Sanctioning and Monitoring Committee (CSMC) under Pradhan Mantri Awas Yojana (Urban) [PMAY (U)] was held on 30 October, 2018 at 02.30 p.m. in the Conference Room, Nirman Bhawan, New Delhi, with Secretary, Ministry of Housing and Urban Affairs in Chair. The list of participants is at **Annexure-I**.

2. At the outset, the Secretary, Ministry of Housing & Urban Affairs (MoHUA) welcomed the participants/representatives from the State Governments, participants/officers of the Ministry and other Departments. He made following observations to be complied by all State/UTs Governments.

- i. It was directed that all States/UTs should saturate their total demand for sanction in the year 2018-19 itself, which would enable them to complete all the houses by 2021-22 along with UCs and completion certificates etc.
- ii. States/UTs should ensure that the PMAY (U) logo is displayed in front of all housing units constructed under funding support of the Government of India. However, State/UTs should not display any such information which may amount to violation of Model Code of Conduct (MCC) as per instruction issued by the Election Commission of India/State Election Commissions from time to time.
- iii. State Governments may prepare short films, printed literature/documents on projects undertaken under PMAY (U) to showcase how lives of beneficiaries have transformed. It should be widely circulated both in print and electronic media and also in various social media platforms for generating awareness. The State Government should also share with the Ministry high resolution photographs and video testimonials of beneficiaries whose houses have been completed.
- iv. The State/UT Governments should consider ISSR component of PMAY (U) for rehabilitation of slums wherein land is used as a resource and which is available with the State/UT/ULBs.
- v. The Government of India has released Rs. 8000 crore under Extra Budgetary Resource (EBR), over and above budgetary allocation, to the State/UT Governments/CNAs in the FY 2017-18. The EBR fund is an interest bearing fund and it is important that the funds so released to the State do not remain parked with SLNA/State Government, but is utilized on fast pace for the purpose it has been released. Any interest earned on the parked fund will be adjusted/ recovered against subsequent instalments in the sanctioned projects under PMAY (U).
- vi. The Central funds in general and EBR funds in particular released under PMAY(U) mission should be passed on to the ULBs/Implementing Agencies within the time frame stipulated in the respective sanction orders and registration of all ULBs on PFMS may be ensured by all State/UT Governments. This is a very important matter hence appropriate arrangements and safeguards must be built in.

- vii. With regard to the vacant houses, if any, under JnNURM, the State Governments/UTs should look for realistic, pragmatic options so as to allot these houses to eligible beneficiaries in urban areas without any further delay.
- viii. The Secretary (MoHUA) desired the States/UTs to collect data with respect to houses of EWS/LIG category being constructed through State sponsored schemes, Development Authorities, Housing Boards, Private Developers and Individual constructions in all statutory towns. Economic Advisor/NBO will coordinate the efforts and will update regularly the progress made.
- ix. A robust MIS System being critical for PMAY (U) Mission. States need to constantly monitor the linking of beneficiaries to sanctioned projects in PMAY (U)-MIS. All States/UTs to ensure that the Aadhaar details of beneficiaries with regards to their number and name is accurate while updating in MIS.
- x. Under PFMS/DBT process, the funds would have to be transferred at every stage only through electronic mode for Beneficiary Led individual house Construction (BLC) under PMAY (U).The bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly. There should also be 100% Aadhaar linkages of beneficiaries in all AHP, BLC, ISSR and CLSS cases.
- xi. State/UTs to expedite finalisation of agencies for TPQM and Social Audit as per the guidelines.
- xii. Since Rajiv Awas Yojana (RAY) is subsumed in Pradhan Mantri Awas Yojana PMAY (U), Third Party Quality and Monitoring Agencies (TPQMA) appointed for PMAY (U) may also certify quality aspects of RAY projects.
- xiii. States/UTs need to expedite grounding of approved projects so that they are completed within the timeline.
- xiv. The States/UTs should submit project proposals for consideration of CSMC by 15<sup>th</sup> of each month so that site scrutiny/desk scrutiny in respect of identified DPRs can be done before the CSMC holds meeting.
- xv. HFAPoA should have been submitted prior to bringing project proposals for that city. If not, justification for delay should be provided.
- xvi. The State/UT Governments may make provision of cistern in toilet, two platforms in kitchen, cemented almirah/slab, storage space in living room, loft, etc. which are basic requirement for a family. Similarly, plantation drive may be organised on completion of construction work especially in AHP and ISSR projects to increase green cover at the locality. In BLC projects, houses should be constructed little away from the existing road, wherever possible, for better planning and ease of traffic movement. It was reiterated that PMAY (U) addresses the aspiration of human being for a better and dignified life. All out efforts should be made to provide maximum facilities.
- xvii. Housing demand along with infrastructure in aspirational districts to be prioritised and completed immediately.
- xviii. The State/UT governments may consider G+7 units under AHP and ISSR projects with lift facility as land is a scarce resource. The maintenance cost of the lift can be managed by the resident welfare society once houses are occupied.
- xix. States/UTs may prefer arranging rent to the beneficiaries during the interim period of construction of houses under ISSR projects for its speedy completion.

- xx. States/UTs should implement innovative, cost effective and high quality construction technologies for constructing the housing units under PMAY (U) and document the same. The tender documents should preferably be technology neutral and a clause of quality assurance for the potential bidders should be included.
- xxi. First instalment of Central Assistance in case of BLC/ISSR projects shall be released on the basis of Aadhaar seeded beneficiaries in PMAY (U)-MIS.
- xxii. Further, the first instalment of Central Assistance in respect of ISSR and AHP projects shall be released on confirmation from the State/UT Government(s) about selection of Developer and issuance of work order. With respect to AHP projects, the 2<sup>nd</sup> instalment of Central Assistance shall be released after Aadhaar seeding of all beneficiaries is captured in the project and entered in PMAY (U)-MIS by the State/UT Governments.
- xxiii. State Level Appraisal Committee is expected to thoroughly appraise the DPRs before submitting the same to State Level Sanctioning & Monitoring Committee for approval. Combining SLAC and SLSMC meeting is not permissible as the mandate of the two bodies is distinct.
- xxiv. Allotment of houses in AHP and ISSR vertical of PMAY (U) should be Aadhaar enabled, provision for which has already been made in PMAY (U)-MIS.
- xxv. State/UT Governments may offer incentives through additional FAR for rehabilitation of slums on private land through ISSR. Increase of FAR upto 50% can be considered which will incentivise developers to undertake construction work on privately owned land for meeting the "Housing for All" goal.
- xxvi. State/UT Governments should exempt sanctioning of building plan on plot size less than 100 sq. metre. States/UTs may also prepare and circulate standard building plan designs for a plot size upto 100 sq. metre.
- xxvii. State/UT Governments are advised to ensure that:
- Adequate infrastructure is provided including individual water, sanitation and electricity connections.
  - There should be no duplication/change in the identified beneficiaries
  - Demarcation of land and mutation is carried out before implementation
  - The design and construction of houses is disaster resilient and the specifications conform to IS/ NBC norms.
- xxviii. The MoHUA has formulated 'PPP Models for Affordable Housing' to enable States/UTs to facilitate private sector participation, in order to meet the growing need of affordable housing in the country. The States/UTs are advised to make use of these guidelines suitably for PPP projects on affordable housing.
- xxix. It has come to notice that some individual/organizations are collecting registration money etc. from potential beneficiaries seeking dwelling units in PMAY (U) fraudulently. The Ministry of Housing and Urban Affairs has not authorized any individual/organization/agency to collect application/registration fee for applying for houses in PMAY (U). Thus, no individual/agency/organization can collect any money/application fee from the beneficiary for enrolment under PMAY (U). All State/UT Governments may also issue disclaimer to this effect in their relevant websites/advertisements etc. to stop this kind of fraudulent activity.

- xxx. Affordable Housing Fund of Rs. 16,000 crore has been created under National Housing Bank (NHB) for refinancing purpose. State/UT governments may consider facilitating beneficiary contribution out of this fund. NHB may circulate the eligibility guidelines to all States/UT Governments urgently.
- xxxi. CSMC is an apex Committee under Chairmanship of Secretary, MoHUA. It is desirable that Principal Secretary/Secretary/Mission Director looking after the PMAY(U) matters in the State/UT Governments participate in the CSMC meetings. States/UTs should avoid deputing Junior officials/Consultants etc.to attend CSMC meeting(s) as they may not have required information on policy level decisions and interventions required at the State/UT Government level.
- xxxii. MPRs that are submitted in offline mode by the State/UT Governments leave scope for deficiencies. In order to overcome this situation, it has been decided to accept data on progress of work in online PMAY (U)-MIS only. It was, therefore, directed that from December 2018 onward online MPR will only be accepted.
- xxxiii. The number of houses sanctioned under PMAY(U) during the last three years is quite encouraging. The State/UT Governments should now focus on timely execution of the projects as this will help in controlling cost escalation as well as timely possession of houses by the beneficiaries.

3. Thereafter, the Joint Secretary and Mission Director (HFA) introduced the agenda for the meeting. The agenda items also form part of the minutes. The item-wise minutes are recorded as follows:
