TNN | Jan 7, 2016, 04.47 PM IST

Itanagar: As many as 100 unemployed youths of East Kameng district have been selected for a three-month training programme on computer courses here at Kameng Institute of Vocational Training and Computer Education. The programme, aimed at providing skills for sustainable livelihood to the youths, is being organized under the National Urban Livelihood Mission (NULM) banner.

The training will be provided by a team of an organization, Lease Service Limited, under the supervision of district urban development agency & housing, a report said here on Tuesday. While briefing the trainees at Kameng Hall, DC Sandeep Kumar Singh advised them to be sincere and take the training seriously, be self-reliant and start a business. tnn
