This is regarding 'Competition for Housing Urban Poor-2017' which is a very innovative initiative of Government of Madhya Pradesh (GoMP). The main objective of the competition is to promote a spirit of healthy competition among agencies involved in implementation of PMAY(U) and would also create awareness amongst all stakeholders. Following categories have been covered under the Competition:

- Rest of Urban Local Bodies
- Divisional Level
- District level
- Banks/HFCs

The guidelines and methodology of the Competition notified by the GoMP are attached herewith.

2. The above mentioned initiative could result in acceleration of overall implementation of the PMAY(U) projects and hence it has been considered as a best practice by Ministry.

3. All the States/UTs are, therefore, requested to consider initiating similar type of Competition as per their own requirement to encourage their implementing agencies under PMAY(U).
