MINUTES OF THE 128th MEETING OF THE CENTRAL SANCTIONING COMMITTEE (CSC) OF THE INTEGRATED HOUSING AND SLUM DEVELOPMENT PROGRAMME (IHSDP) UNDER JAWAHARLAL NEHRU NATIONAL URBAN RENEWAL MISSION (JNNURM)

Nirman Bhawan, New Delhi, 15th June 2012

The 128th Meeting of the Central Sanctioning Committee (CSC) of the Scheme on Integrated Housing and Slum Development Programme (IHSDP) of the Jawaharlal Nehru National Urban Renewal Mission (JNNURM) was held under the Chairpersonship of Secretary, Ministry of Housing and Urban Poverty Alleviation in New Delhi on 15th June 2012 at 11.30 A.M. in NBO MIS Centre, Nirman Bhawan, New Delhi. The list of participants is at Annexure-1.

2. Director (NBO) & OSD (JNNURM) welcomed the Chairperson and Members of the CSC and representatives of State Governments, SLNAs/ULBs. The Secretary, Ministry of Housing & Urban Poverty Alleviation and Chairman CSC informed that the duration of the JNNURM has since been extended for another 2 years i.e. upto 2013-14 for completion of projects sanctioned upto March 2012, and implementation of 3 pro-poor reforms under BSUP and IHSDP components of JNNURM. It was further clarified that sanctioning of new projects under BSUP and IHSDP has not been envisaged during this extended period. However, the structures and support for Mission as approved from time to time, viz. A&OE charges, PMU, PIU, DPR preparation charges, TPIMA expenditure, funding for various activities related to Project Implementation and Quality Assurance and Community Mobilisation will continue during the extended period i.e. upto 2013-14.

3. The Additional Secretary & Mission Director informed that the CSMC/CSC has been incorporating guidelines on the responsibilities of the State/UT Governments, SLNAs and implementing agencies for successful implementation of the projects under BSUP and IHSDP, which have formed part of Minutes in the past as Annexure. Since the JNNURM completed its 7-year period and has been extended for another 2 years i.e. upto 31st March 2014, the States/UTs must continue to comply with the CSMC/CSC observations enumerated in the past Minutes circulated to the State/UT Governments from time to time and make all efforts to complete the projects within the extended period. They have been requested to furnish city-wise, project-wise work schedule and plan for utilization of ACA released/seeking additional ACA. They have also been requested to expedite the pending

\[1/11\]
compliances for release of ACA in respect of IHSDP projects sanctioned by the CSC earlier.

4. For the CSC Meeting, the details of the proposals put up and considered are given in the succeeding paragraphs.

5. Maharashtra

5.1 The representative of the State Govt. of Maharashtra made a presentation on the following proposals:

**Proposal for sanction of 2nd installments**

5.2 The TPIMA report of the above projects was reviewed by HUDCO. The Committee noted that in case of Karad Municipal Council, the tenders for infrastructure works are finalised and work order issued but the works are not yet started. DUs and infrastructure works are far behind schedule. Field laboratory is not available at site. The issues related to non-structural items such as horizontal and vertical cracks were observed on walls of one DU and plastering, finishing work etc. is not up to the mark. The representative of SLNA informed that the observations by TPIMA have been conveyed to the ULB and appropriate corrective measures are being taken for rectifying the defects.

5.3 In case of Sangli Municipal Corporation it was observed that soil investigation and water test reports are not furnished, material tests are not conducted as per needed frequency and honey-combs are found on the stair case. It is also observed by TPIMA that the total project cost sanctioned was Rs. 225.36 crores and the tender was awarded for Rs. 385.65 crores. There is a cost overrun of Rs. 160.29 lakhs. Instead of G+2 structures in the sanctioned proposal, agency is constructing G+3 structure at the actual execution stage. The representative of SLNA informed that necessary instructions have been given to submit the revised DPR and the qualitative issues raised by the TPIMA agency have been taken up on priority and rectification has been done.

5.4 The Committee advised SLNA to ensure the compliances of observations of TPIMA and mandatory test requirement in the interest of project quality and timely completion. The Committee noted that the overall quality of construction has been reported by TPIMA as generally
satisfactory/good but there is need to monitor quality of the project. Therefore, there is need to improve quality management in accordance with the contract agreement. Infrastructure work is far behind of schedule and there appears to be substantial cost and time overrun in all the projects. The Committee advised the State Govt. to take action to accelerate the pace of project execution, ensure that quality management system is in place, mandatory test requirements to ensure structural safety of the project are adhered to, and the project along-with the infrastructure works is completed at the earliest. The Committee advised SLNA to submit revised DPR for Sangli project for record.

5.5 The Director (JNNURM) informed that updated status of 3 Pro-Poor reforms countersigned by Competent Authority need to be furnished in respect of Karad and Sangli projects.

5.6 The Committee took note of the status of the JNNURM reforms in the State. It was informed that instructions for preparing road map to implement the earmarking of 15 to 25% of total budget of ULB for services to urban poor have been issued by Housing Department to all the ULBs vide letter No. JNY/2009/CR-150/GND-2(CelI) dated 18.12.2009. Further, Urban Development Department, Government of Maharashtra, vide G.O No. TPB/4307/2226/CR-334/2007/UD-11 dated 15 September 2010 has issued revised direction under section 37(1) with 154 of Maharashtra Regional and Town Planning Act on 1996 for reservation of land for housing the urban poor. All the Municipal Corporations/ Councils have been directed to modify their sanctioned Development Control Regulation to include following: (1) For the subdivision of land admeasuring 2000 sqmnt and more (a) 20-25% area in the form of 30 to 20 Sq.mt plots for EWS/LIG and (b) 10% area in the form of 50 to 100 sq.mt plots; (2) For the layout of land, admeasuring 2000 sq.mt and more, following provisions shall be compulsorily provided – (a) 20-25% tenements shall be proposed for EWS/LIG Group (30-40 sq.mt) and (b) 10% tenements shall be proposed for MIG Group (41 to 60 sq.mt). The status of 3 pro-poor reforms (Worksheet 3) of the ULBs is at Appendix I.

5.7 The State representative assured compliance to the observations of the Committee and TPIMA and also pointed out that all necessary steps would be taken to ensure quality and structural safety. He assured that cost overrun will be borne by the State Govt./ULB.

5.8 After detailed discussions, the Committee approved the proposal for 2nd & final installment of ACA for 3 IHSDP projects: (i) Implementation of IHSDP at Malkapur city, Distt. Buldhana (ii) Implementation of IHSDP scheme 175 DUs at Bal Hanuman Colony I&II,

Details of approval are at Annexure II (A to C)

[Action: JNNURM Directorate to recommend Central ACA as per para 5.8;

State to take action on the observations of the Committee].

6. Rajasthan

6.1 In the absence of representative from the State Government, OSD (JNNURM) presented the proposal for release of balance 50% of 2nd & final installment of 1 IHSDP project at Pratapgarh.

6.2 It was informed that the proposal for release of 2nd & final installment of ACA was considered in the 101st CSC meeting held on 10.3.2011 wherein it was observed that balance 50% of 2nd & final installment of ACA will be considered on furnishing of compliance regarding provision of toilet and kitchen which have reportedly dropped in 30 DUs out of 216 DUs due to cost escalation in the project.

6.3 The Committee noted that the State vide its letter No (21)/RUIFDCO/IHSDP/Pratapgarh/2011-12/19157 dt.14.3.2012 has furnished an undertaking that “provision of toilet and kitchens in remaining DUs in IHSDP Pratapgarh project has been done”.

6.4 With regard to 3 Pro-Poor reforms, it was informed that the State Government has taken suitable action by making amendment in the Rajasthan Municipality Act 2009 vide which it has been made compulsory for allotment of at least 20% of plots or housing units to EWS/LIG persons in any group housing or township projects of municipalities.

6.4 The Director (JNNURM) informed that the tendered cost is less than the project cost by Rs. 10.49 lakhs as such un-utilised Central ACA, if any, may be returned along with applicable interest. The status of 3 Pro-Poor reforms (worksheet-3) duly signed by the Competent Authority may also be furnished to the Mission Directorate immediately.

\[4/11\]
6.5 After detailed discussions, the Committee approved the proposal for balance 50% of 2nd & final installment of 1 IHSDP project at Pratapgarh. The Committee also directed that un-utilised Central ACA, if any, may be returned along with applicable interest.

However, ACA will be recommended on receipt of updated status of 3 pro-poor reforms.

Details of approval are at Annexure III (A)

[Action: JNNURM Directorate to recommend Central ACA as per para 6.5; State to take action on the observations of the Committee].

7. The status of the 3 pro-poor reforms in respect of the proposals considered in the meeting are at Appendix-I.

8. The meeting ended with a vote of thanks to the Chair.
