RELEASE OF REPORT ON EMPLOYMENT GENERATION & COMPENDIUM OF TRANSFORMING URBAN LANDSCAPE

Pradhan Mantri Awas Yojana-Urban was launched in June 2015 by Government of India with the aim to construct around one crore affordable houses in the urban India

to accomplish its target of "Housing for All (HFA) by 2022". Investment in the housing sector has both direct and indirect impact on economy and has significant bearing on employment generation. In order to assess the magnitude of employment generated due to investment made under PMAY (U), a study was conducted by National Institute of Public Finance and Policy (NIPFP) for the period of June, 2015 to 31st January, 2019. The study report was launched by Shri Hardeep S Puri, Minister of State (IC), Housing and Urban Affairs in a press conference on 6th March, 2019 in the presence of Secretary,

MoHUA and other officials of the Ministry. The same was published on MoHUA website for ready reference of the stakeholders. As per the report, an estimated 172.17 crore person days of employment has been generated under PMAY (U) till 31st January 2019 since the launch of the scheme. This includes 52.97 crore person days of direct employment and 119.20 crore person days of indirect in nature. As per NSSO estimates, 280 working days are to be treated as jobs, thereby it translates to creation of 61.49 lakh jobs in total, where 18.92 lakh as direct and 42.57 lakh as indirect.
