PMAY (U) - Transforming Dreams Into Reality

Name of Beneficiary:

Mrs. & Mr. Jayakanthan

Auto Driver, Chennai, Tamil Nadu

Shri Jayakanthan is an Auto Driver living in Chennai with his wife, mother and two children. They feel proud in residing in their own home which is constructed with the financial assistance received under PMAY (U) and feel respectful in the society. They recall the time when they used to live in a (Kutcha) thatched hut in miserable living conditions without any civic amenities. When they came to know that under PMAY (U) they could build a new Pucca RCC roof house, they applied for financial assistance under PMAY (U). Their application was processed and they were given work order to construct a new Pucca RCC house. After that they started the construction of new house as financial assistance of Rs 2.10 lakh under PMAY (U) was released to them. He says that, as an Auto Driver, I could never dream of having a Pucca RCC house. Now I am living in my own house and consider this to be a miracle for my family. This house has given me a sense of pride and security. It has enhanced my respect in the society. Now my children don't feel embarrassed to invite their friends to our house. He thanks Central & State Governments for transforming their life by providing dignified living.
