Dear Shri

The question of revision of guidelines prescribed for construction in Lutyen's Bungalow Zone in New Delhi conveyed to DDA and local bodies vide this ministry's letter No.K-13011/17/86-DDIIA dated 8.2.88 has been under consideration of the Government for quite some time. It has now been decided as follows:

- a) The existing guidelines should be strictly enforced;
- b) The ridge should be preserved and developed as a forest and no construction should be allowed;
- c) There is no need to add another floor to non-bungalow government residential accommodation falling within the LBZ and efforts should be made to construct government accommodation outside the LBZ.

2. I therefore request you to ensure strict compliance of the above mentioned decision in all cases.

With regards,

Yours sincerely,

(M.S. Srinivasan)
