To,

The Principal Secretaries/Secretaries (Urban Development/Transport) of All States and UTs

Subject: Panel of consultants for consulting services for preparing City Specific plans for Transit Oriented Development, Non-motorised Transportation and Bike sharing Scheme.

Sir/Madam

The Government of India is implementing the Sustainable Urban Transport Project (SUTP) with support from Global Environment Facility (GEF) and World Bank. The objective of the SUTP is to ensure that environmental considerations are taken into account in implementation of the National Urban Transport Policy and achieve a paradigm shift in urban transport systems in favour of sustainable development. The project envisages Transit Oriented Development (TOD) and Non-motorised Transportation including Public Bike Sharing.

2. The related guidelines document for Transit Oriented Development (TOD), Non-Motorized Transportation (NMT) and Public Bike Sharing (PBS) will be uploaded on the website [http://moud.gov.in/](http://moud.gov.in/) and [http://www.sutpindia.com/](http://www.sutpindia.com/) shortly for guidance to cities. The Ministry has empanelled qualified and capable 9 consultants for TOD, 7 for NMT and 3 for PBS, following a competitive process.

3. This empanelment has been done to providing consulting services for preparing city specific TOD, NMT & PBS plan and its implementation without having to go through the process of inviting Eols and identifying suitable agencies. The list of empanelled consultants in the order of their ranking is attached at Annexure I for TOD, NMT and PBS.

4. This empanelment of consultants with requisite expertise is exclusive and specific to the TOD, NMT and PBS projects only. The cities are free to engage any consultant for TOD, NMT and PBS either by using the list or engaging any other through their own resources.
5. There is flexibility to add / delete names from the list based on performance. The list will be available on the MoUD website http://www.moud.gov.in/. The panel will be valid for a period of five years and the respective cities may directly engage any of the empaneled consultants after issue of RFP and evaluation of the offer. Expenditure shall have to be met from their respective budget of the state / cities.

6. I am to request you to make use of this panel in preparing the plan for TOD, NMT & PBS and its implementation in order to make your cities movable and sustainable.

Yours faithfully

(Enclosures: one as above)

(R. K. Singh)
Director (UT-I)
Tel - 01123062798
### Annexure I

**List of Empanelled Consultants for consulting services for preparing City Specific plans for Transit Oriented Development, Non-motorised Transportation Plan and Bike sharing Scheme**
