<b>13</b>	<b>Other important observations</b>
-----------	-------------------------------------

The following important observations were made regarding project proposals under PMAY(U). States should take note of the observations of CSMC and take further action accordingly:

1. States/UTs must complete Demand assessment as well as submit the Housing for All-Plan of Action (HFAPoA) without any further delay, and get the projects approved under PMAY(U) at the earliest. This is important so that the States have enough time to complete the approved projects within the mission period.
2. CSMC requested the State Governments to expedite implementation of mandatory reform conditions by December 2016 so as to meet the Mission goals
3. States are requested to enter the beneficiary details from the demand survey, as well as project data in PMAY-MIS at the earliest. All beneficiaries must have a valid ID numbers, preferably Aadhar numbers. States are requested to get the beneficiaries' Aadhar enrolment numbers where the beneficiaries do not have Aadhar number. In cases where the beneficiaries have not applied for Aadhar numbers, the State should assist such beneficiaries to get enrolled for Aadhar numbers.
4. All SlnAs and implementing agencies must register themselves on Public Finance Management System (PFMS) portal so that the fund flow could be tracked.
5. Under PMFS/DBT process, the funds would have to be transferred at every stage only through electronic mode. This may relate to PMAY as under:

a. In case of Centrally Sponsored Schemes:

- i. For Beneficiary Led individual house Construction (BLC), under PMAY (Urban), the bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly.
- ii. In the case of Affordable Housing in Partnership (AHP) and In-Situ Slum Redevelopment (ISSR) projects under PMAY (U), the 2nd instalment to the State Government should be released only after receipt of beneficiary list with linkage of Aadhar numbers of the beneficiaries duly certified by the State Government/ UT concerned and uploaded in the PMAY- MIS portal.

b. In case of Central Sector Scheme:

- i. for CLSS, the Central assistance is deposited upfront in the loan account of the beneficiary, after the bank receives the funds from CNA.
6. State Level Appraisal Committee is expected to thoroughly appraise the DPRs before submitting it to State Level Sanctioning & Monitoring Committee for approval. Combining SLAC and SLSMC meeting is not permissible as the mandate of the two bodies are distinct.
  7. Projects such as VAMBAY or JNNURM etc., which have already been funded under housing schemes of Govt should not be considered for further funding under PMAY-HFA(U).
  8. ULBs are to ensure undertaking from the beneficiaries to the effect that they have not availed of funding under any other project/ schemes of Govt for the house being constructed/enhanced under PMAY(U).
  9. CSMC has been reviewing the progress of completion and occupancy of JNNURM and RAY projects with the concerned Authorities. The CSMC reiterated that the State Governments must expedite physical completion and occupancy of JNNURM and RAY houses. There would not be further funding in JNNURM projects after December, 2016.
  10. Under the BLC all individual houses shall have to be Geo-tagged on the BHUVAN-MHUPA application. Further, the States are advised to release the funds to beneficiary only after the beneficiary completes the construction up to foundation level through its own funds.

14.	Directions to HUDCO
-----	---------------------

In all future CSMC meetings, Secretary (HUPA) directed that the Regional representative of the HUDCO office, as far as possible, which has appraised the DPR/conducted site visit, should also invariably be present to provide their comments/observations.

The meeting ended with a vote of thanks to the Chair.

<b>13</b>	<b>Other important observations</b>
-----------	-------------------------------------

The following important observations were made regarding project proposals under PMAY(U). States should take note of the observations of CSMC and take further action accordingly:

1. States/UTs must complete Demand assessment as well as submit the Housing for All-Plan of Action (HFAPoA) without any further delay, and get the projects approved under PMAY(U) at the earliest. This is important so that the States have enough time to complete the approved projects within the mission period.
2. CSMC requested the State Governments to expedite implementation of mandatory reform conditions by December 2016 so as to meet the Mission goals
3. States are requested to enter the beneficiary details from the demand survey, as well as project data in PMAY-MIS at the earliest. All beneficiaries must have a valid ID numbers, preferably Aadhar numbers. States are requested to get the beneficiaries' Aadhar enrolment numbers where the beneficiaries do not have Aadhar number. In cases where the beneficiaries have not applied for Aadhar numbers, the State should assist such beneficiaries to get enrolled for Aadhar numbers.
4. All SlnAs and implementing agencies must register themselves on Public Finance Management System (PFMS) portal so that the fund flow could be tracked.
5. Under PMFS/DBT process, the funds would have to be transferred at every stage only through electronic mode. This may relate to PMAY as under:

a. In case of Centrally Sponsored Schemes:

- i. For Beneficiary Led individual house Construction (BLC), under PMAY (Urban), the bank account details of the beneficiaries should necessarily be mapped so that the funds can flow to the beneficiaries' bank account directly.
- ii. In the case of Affordable Housing in Partnership (AHP) and In-Situ Slum Redevelopment (ISSR) projects under PMAY (U), the 2nd instalment to the State Government should be released only after receipt of beneficiary list with linkage of Aadhar numbers of the beneficiaries duly certified by the State Government/ UT concerned and uploaded in the PMAY- MIS portal.

b. In case of Central Sector Scheme:

- i. for CLSS, the Central assistance is deposited upfront in the loan account of the beneficiary, after the bank receives the funds from CNA.
6. State Level Appraisal Committee is expected to thoroughly appraise the DPRs before submitting it to State Level Sanctioning & Monitoring Committee for approval. Combining SLAC and SLSMC meeting is not permissible as the mandate of the two bodies are distinct.
  7. Projects such as VAMBAY or JNNURM etc., which have already been funded under housing schemes of Govt should not be considered for further funding under PMAY-HFA(U).
  8. ULBs are to ensure undertaking from the beneficiaries to the effect that they have not availed of funding under any other project/ schemes of Govt for the house being constructed/enhanced under PMAY(U).
  9. CSMC has been reviewing the progress of completion and occupancy of JNNURM and RAY projects with the concerned Authorities. The CSMC reiterated that the State Governments must expedite physical completion and occupancy of JNNURM and RAY houses. There would not be further funding in JNNURM projects after December, 2016.
  10. Under the BLC all individual houses shall have to be Geo-tagged on the BHUVAN-MHUPA application. Further, the States are advised to release the funds to beneficiary only after the beneficiary completes the construction up to foundation level through its own funds.

14.	Directions to HUDCO
-----	---------------------

In all future CSMC meetings, Secretary (HUPA) directed that the Regional representative of the HUDCO office, as far as possible, which has appraised the DPR/conducted site visit, should also invariably be present to provide their comments/observations.

The meeting ended with a vote of thanks to the Chair.
