Mission Karmayogi – Ministry of Housing  
& Urban Affairs (MoHUA)

March-April-May 2024

## Top Achiever in MoHUA on iGoT Platform

'Enhancing Expertise: Ministry Staff Encouraged to Utilize iGOT Platform'

-Madhavi Kambhampati (Section Officer)  
NULM

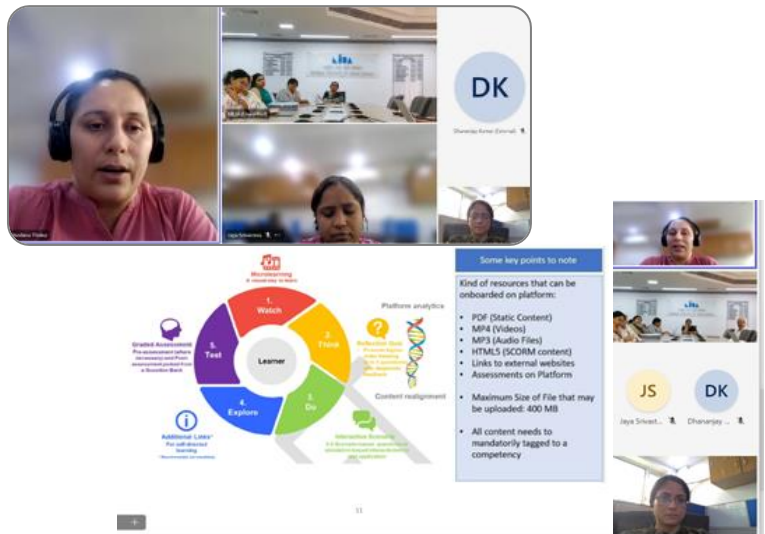

I found the courses mandated for Section Officers very helpful in **increasing my competency** in skills to impart my duties. Though the MCQ in certain modules were challenging, getting the certificate after the assessment made me confident.

I found the functional courses to be more useful and **believe that consuming courses on iGOT is useful for the officials.** I will take this opportunity to urge my fellow members to explore the iGOT platform and utilize the same to enrich their expertise.

I am motivated to engage continuously with iGOT to **stay updated and enhance my skills** relevant to my domain. I have a special interest in courses on emerging technologies and those directly related to my day-to-day responsibilities.

## NIUA: Staff onboarding and accreditation

On March 1st, 2024, a meeting took place with Director NIUA, and IFU team at NIUA, IHC. The agenda was to strategize the onboarding of employees onto the iGOT portal. Key discussions centered around the nomination process for critical roles i.e., Leader and MDO Admin. Emphasis was placed on kickstarting the staff onboarding process, curating relevant content for iGOT, and familiarizing employees with iGOT as an invaluable capacity-building resource.

## Accreditation of Ministry's Civil Service Training Institutes

MoHUA oversees eight Central Training Institutes, with DMRA and RCUES Lucknow recently achieving three-star accreditation in the National Standards for Civil Service Training Institutes (NSCSTI) Framework. This underscores MoHUA's commitment to Civil Service Capacity Building, professional development and competency enhancement. Other institutes like RCUES-Mumbai, National CPWD Academy, and NIUA are also in the process of receiving accreditation under the NSCSTI Framework. Going forward, MoHUA aims to enhance remaining CTIs, fostering continuous improvement in civil service training.

## Future Strategies to Enhance Capacity Building in Urban Local Bodies

The CBC, in collaboration with MoHUA, has embarked on a nationwide initiative to enhance the capacity of Urban Local Bodies (ULBs). A pivotal video conference was held on March 15th, 2024, with CBC, NIUA, and the Karmayogi Bharat team discussed the integration of the National Urban Learning Platform (NULP) and iGOT under technology integration.

The focus was on strategizing future initiatives to strengthen capacity building within ULBs and the potential integration between NULP and the iGOT platform. The integration aims to bolster urban governance frameworks for greater effectiveness and resilience.

The screenshot shows a video conference interface with a presentation slide titled "Options for sourcing Funds". It lists three options: Option 1 (Consolidating unutilised ADB/CB funds into a new scheme at Union level?), Option 2 (Allowing States to consolidate unutilised ADB/CB funds?), and Option 3 (Leveraging external aid funds for this initiative through MoHUA). Below the slide is a "Way Forward Strategy and Plan" diagram with two columns: "Key Tasks" and "Key Enablers".

Key Tasks	Key Enablers
Onboarding State UDO for ULB Capacity Building agenda	Workshop with 4 to 5 states
Strengthening training delivery ecosystem	Course Development
Technological integration of NULP and iGOT	Establish working group of IT teams of NULP & iGOT
Overall Governance and Administrative support	National Mission Management Unit
	State coordination Unit for Capacity Building
	Regional/State specific anchor institutes
	Integrated Capacity building Planning
	State Workshops

## Delhi Metro Rail Academy Visit

Urban Transport Division representatives visited the Delhi Metro Rail Academy (DMRA) to observe its operational strategies and innovative techniques.

They were introduced to advanced metro rail engineering systems and simulation-based training facilities, enhancing trainees' proficiency in utilizing sophisticated systems.

## Curation of courses under ADB-supported initiative

On March 21st, a meeting was convened to streamline the process of designing and developing e-content for courses sponsored by the Asian Development Bank (ADB) through the Karmayogi Digital Learning Lab (KDLL). Of notable significance is the active participation of six divisions, *vis.* NULM, PM SVANidhi, AMRUT, Housing, UT, SCM and Delhi Division of MoHUA. Further, video conferences and in person meetings have been convened with the KDLL team to discuss the intricacies of the course structure, primarily focusing on the unique requirements of the divisions.

## Focused Group Discussions with Partner Organizations to Drive Mission Karmayogi Implementation

A series of in-person and virtual conferences were held with various organizations affiliated with the MoHUA to advance key initiatives under Mission Karmayogi. These workshops took place on May 7th, 14th, 16th, 17th, and 21st May with the *National Institute of Urban Affairs (NIUA)*, the *National Capital Region Planning Board (NCRPB)*, the *Delhi Urban Art Commission (DUAC)*, the *Building Material Technology Promotion Council (BMTPC)*, the *Town and Country Planning Organization (TCPO)*, and the *Central Public Works Department (CPWD)*.

The conferences addressed the onboarding and registration processes for these organizations on iGOT platform and developing and implementing strategies for the Annual Capacity Building Plan (ACBP) for ensuring seamless integration into Mission Karmayogi's framework.

## Mission Karmayogi Menu Launched on MOHUA Website

A new dedicated menu for Mission Karmayogi has been launched on the *MoHUA website*. This initiative aims to enhance the visibility of activities and events associated with the Mission, ensuring that officials are well-informed about ongoing and upcoming engagements. The menu is designed to foster greater participation and awareness among users and help them to access essential updates, training programs, and event schedules, allowing for more efficient coordination and involvement. This streamlined approach is expected to significantly extend the impact of Mission Karmayogi.

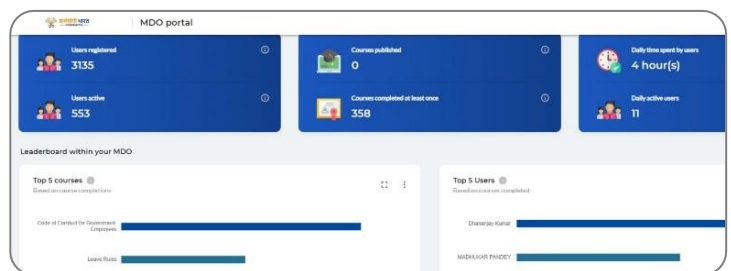

## Know Your Ministry Module: Empowering MoHUA Officials

The Know Your Ministry (KYM) module, endorsed by the CBC, is a specialized learning tool for MoHUA officials. It aims to provide new joiners and transferred officials with a comprehensive understanding of MoHUA's structure, functions, and goals.

Representatives from all divisions, missions, and organizations within MoHUA collaboratively developed a draft Table of Contents for the KYM module. A designing agency *FCS Software Solutions Ltd.* is onboarded for developing the module.

## iGOT Registration Progress for MoHUA Officials

IFU team is working on to register all MoHUA employees on the iGOT platform. All 100% of officers/ officials are registered, with ongoing work to update the list periodically.

Further, team is also putting efforts to onboard subordinate and attached offices and assist in preparing their Capacity Building Plans (CBP).
