Mission Karmayogi – Ministry of Housing
& Urban Affairs (MoHUA)

November 2023 - February 2024

Top Achiever in MoHUA on Integrated Government Online Training (iGOT) Platform

'Embracing AI allows for better utilization of time and resources in the evolving governmental landscape'

-Madhukar Pandey (Under Secretary) NULM

I've been **actively pursuing skill development**, initially through YouTube. However, upon the launch of iGOT portal, I've found **tailored courses** that significantly contribute to my career progression. The quality of content on iGOT is impressive, motivating me to **dedicate my weekends** to upskilling and enhancing productivity.

iGOT courses are **customized to suit the expertise required by Government officers**. Personally, I'm drawn to courses covering AI, productivity, finance, public speaking, and urban livelihood.

I prioritize courses that **directly enhance my daily tasks**. I find exceptional value in courses **from reputable institutions like IIM and ISB**, as they provide **high-quality content** that significantly enriches my learning experience.

Being selective about the courses I enroll in; I've had a **positive overall experience with iGOT**. However, content providers should **prioritize user-friendly consumption experience** for individuals like myself.

RCUES Mumbai Progresses with Organizational Onboarding and advances Capacity Building Efforts

Virtual meetings were conducted with Regional Centre for Urban and Environmental Studies (RCUES) Mumbai, to nominate officials for key roles such as MDO Leader and MDO Admin. Facilitated by the PMC team and Karmayogi Bharat, these sessions introduced to RCUES Mumbai staff about Mission Karmayogi and the iGOT platform. Dr. Jairaj Phatak and his team from AILSG actively participated.

Moreover, RCUES Mumbai has begun staff onboarding, content identification for iGOT, and accreditation under the CBC's National Civil Service Training Institute Framework.

UT Division Visits Delhi Metro Rail Academy: A Hands-On Learning Experience

Officials from the Urban Transport (UT) division visited the Delhi Metro Rail Academy (DMRA) on November 22, 2023, and 12th March 2024 gaining insights into operational excellence and innovative methodologies. This immersive experience offered officers a firsthand look at the operational excellence and innovative methodologies that have positioned the Delhi Metro as a global leader in urban transportation systems.

The state-of-the-art facilities at DMRA provided a conducive environment for officers to understand the intricacies of training and skill development.

Reviewing Ministry's ACBP Implementation Progress: Nodal Officers' Meeting

Chaired by Shri Rahul Kapoor, JS, NULM/PM SVANidhi/CBUD, a crucial meeting on February 27, 2024, brought together nodal officers from various divisions and organizations within the Ministry. The focus was on discussing the Annual Capacity Building Plan (ACBP) under Mission Karmayogi. Key topics included achieving 100% employee's registration on the iGOT platform, ensuring a minimum of 6 hours of course consumption per employee, and updates on initiatives like 'Know Your Ministry' and development of Induction Courses for different Missions/Divisions. This meeting reflects the Ministry's commitment to organizational development and effective Mission Karmayogi implementation.

ACBP Implementation Dashboard: Collaborative Session with CBC Representative

A meeting convened on February 14th at the Ministry, led by Ms. Shalini Pandey, Director, CBUD/PM SVANidhi, focused on enhancing the Annual Capacity Building Plan (ACBP) implementation. The main agenda was updating the ACBP Implementation Dashboard, created by the CBC, to accurately reflect ongoing efforts. The Ministry's proactive measures highlight its commitment to transparently communicate the progress of ACBP implementation.

Developing 'Know Your Ministry' (KYM) Module of MoHUA for iGOT Platform

The creation of the 'Know Your Ministry' (KYM) module, recommended by the CBC, is underway as a dedicated learning resource for Missions/Divisions/Organizations to upgrade the skills of Officials within the Ministry of Housing and Urban Affairs (MoHUA). IFU has been proactive in convening this task and engaging with all missions, divisions, and organizations to shape and refine the KYM module's content. The agency selection is complete, and the Table of Contents will soon be shared with the designated Digital Agency, ensuring seamless alignment with each entity's unique nuances.

Empowering Grassroots: SBM Officials Join Forces with Karmayogi Bharat for Training Content Development

Officials from the Swachh Bharat Mission (SBM) collaborated with the Mission Karmayogi team to bolster capacity-building efforts at the grassroots level. Their focus spans Districts, Blocks, Panchayats, and citizen-facing offices, aiming to improve the skills of personnel involved in SBM implementation. The meeting discussed precise requirements for tailored training content, strategically aligning with the unique demands of executing the SBM effectively.

DMRA and RCUES Lucknow Achieve Accreditation under CBC's Civil Service Training Framework

MoHUA oversees eight Central Training Institutes, with DMRA and RCUES Lucknow recently achieving three-star accreditation in the National Standards for Civil Service Training Institutes (NSCSTI) Framework. This underscores MoHUA's commitment to Civil Service Capacity Building and reflects the Ministry's dedication to professional development and competency enhancement. Other institutes like RCUES-Mumbai, National CPWD Academy, and NIUA are also in the process of receiving accreditation under the NSCTI Framework. Going forward, MoHUA aims to enhance remaining CSTIs, fostering continuous improvement in civil service training.
