OFFICE MEMORANDUM

Subject: Use of LED in community lighting projects

The Government has been taking major initiative aimed at promoting energy efficiency by way of adoption of LED lighting across the country. In furtherance of the Government's drive for promotion of LED lighting it has been decided that for all community lighting projects funded by the Central Government, which includes lighting of government/public buildings etc, LED lighting should be mandatorily used.

2. In this regard, the undersigned is directed to request that necessary action be taken to comply with the decision forthwith and Action Taken Report may be submitted to this Ministry.
